

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2015 Continuum of Care (CoC) Program Competition. For more information see FY 2015 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2015 CoC Program NOFA and the FY 2015 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2014 Project Application will be imported into the FY 2015 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2014 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2015 CoC Program Competition NOFA.

1. Provide a description that addresses the entire scope of the proposed project.

Aimed at deterring homelessness and recidivism of chronic unemployment and transitioning formerly homeless or chronically homeless women from public assistance to independence and long-term self-sufficiency, Job Plus provides safe affordable housing as the foundation for achieving independence. Through opportunities provided to explore training and employment options, the Program prepares residents for full-time employment, assisting them to find, obtain and retain employment. It is designed to motivate residents to set realistic life goals based on a comprehensive assessment of their educational and vocational needs and interests. Based on these assessed goals and needs, the program then connects them to appropriate vocational and/or educational services and provides follow-up and continued support necessary to ensure that the women make steady progress towards achieving their goals. The program thus helps women to acquire vocational/job skills in order to become motivated and qualified candidates for available job openings. Success is evidenced by participants' residence at the YWCA transitional housing facility, subsequent relocation from YWCA to permanent housing, and retention of permanent housing for at least six months. Services comprise quality housing units with support services including assessments leading to the development of Independent Living Plans, counseling, intensive case management, nutritious food from our food pantry two times a month, instruction in job search, resume writing and interviewing skills as well as referrals for benefits, training programs, internships, work experience activities.

The program is operated by the Case Manager who is responsible for providing the essential services needed to enable women to acquire the necessary skills through skills testing, resume preparation, interviewing skills, academic referrals and training, internships, work experience and placement activities. The program provides accurate assessments and evaluation of residents' strength and transferable skills in relation to current employment market demands. Counseling sessions geared to specific areas promote participants' personal growth and development, increasing their self-esteem and ability to establish goals. Through these support services, candidates are prepared for available job openings.

Through the YWCA's My Sister's Closet, women are also provided with work-appropriate attire and accessories and taught to dress for success. Transportation is also provided as needed. The life skills component comprehensively addresses critical life skills that help women to retain housing and include self-empowerment skills, physical and mental health services, and finance management.

As a means of ensuring housing retention, support to participants is maintained for six months after a participant moves to permanent housing. This is done through follow up case plans developed and monitored throughout the period.

2. Does your project participate in a CoC Coordinated Entry Process? No

Please explain why your project does not participate in a CoC Coordinated Entry Process.

This project does not participate in a CoC Coordinated Entry Process because the Westchester County CoC is developing a fully operational Coordinated Entry Process. While HUD has not yet established definitive timelines for implementation, our Coordinated Entry Process is expected to be fully developed in the near term.

The Westchester County CoC Board appointed a steering committee to oversee the process of developing our Coordinated Entry Process in February 2015, and that body has met continuously since that time to plan implementation.

Our HMIS Lead has negotiated a \$93,000 contract with our HMIS software vendor to pay to customize and enhance the CoC's HMIS software to integrate coordinated entry. We expect that the programming and database migration will be completed by June 2016.

In addition, the Westchester CoC Board has elected to reallocate \$131,167 into a new Coordinated Entry CoC project in the FY2015 CoC competition in order to provide funding to operationalize the Coordinated Entry Process being implemented.

We are testing best practice implementation of our Coordinated Entry process using our new Turning Point Permanent Supportive Housing Bonus project.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select "Yes" or "No" from the dropdown menu.

- Use of a single application form for four or more mainstream programs? Select "Yes" or "No" from the dropdown menu.

- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select "Yes" or "No" from the dropdown menu.

- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select "Yes" or "No" from the dropdown menu. If "Yes" is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select "Yes" or "No" from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field. Enter the total number of beds that are not dedicated to the chronically homeless. If none of the beds are not dedicated for the chronically homeless, enter "0."

How many of the total beds entered in "2b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2015 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

How many of the beds listed in question "2c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen "5A. Project Participants – Households" has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the "Persons at imminent risk of losing their nighttime residence" field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2015 CoC Program NOFA.

If the field for "Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing" contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Enter the percentage of project participants that will be coming from each of the following locations.

	Directly from the street or other locations not meant for human habitation.
80%	Directly from emergency shelters.
	Directly from safe havens.

	Directly from the street or other locations not meant for human habitation.
	From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens.
20%	Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (TH and SSO projects only)
	Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
	Persons fleeing domestic violence.
100%	Total of above percentages

2. If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless.

This project is a Transitional Housing (TH) project; we verify that persons served will be within 14 days of losing their housing and becoming literally homeless.

6A. Standard Performance Measures

Instructions:

ALL PROJECTS EXCEPT HMIS

Housing Measures: This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: If permanent housing, count each participant who is still living in your units supported by your facility in addition to clients who have exited your units and moved into another permanent housing situation. If transitional housing or a safe haven, only count persons who have exited your units/project and moved into a permanent housing situation.

Income Measure: This is a required field where at least one option must be chosen by the project applicant.

a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.

b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:

Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

Target (#): Enter the number of applicable persons/units/items from the universe who/that are expected to achieve the measure within the operating year. The Target is the total number of persons/units/items from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

Data Source: (e.g., data recorded in HMIS) and method of data collection (e.g., data collected by the intake worker at entry and case manager at exit) proposed to measure results: This is a required field. Use the text box provided to provide as much detail concerning the data systems and methods as possible.

Specific data elements and formula proposed for calculating results: This is a required field. Use the text field provided and be specific.

7A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2015 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
 - Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
 - Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.
- Select a grant term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2015 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2015 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Do any of the properties in this project have an active restrictive covenant? No

2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? Yes

Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

a. Please complete the indirect cost rate schedule below:

Administering Department/Agency	Indirect Cost Rate	Direct Cost Base

7F. Operating Budget

Instructions:

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g. .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and restricts understanding of what is being requested. Failure to enter adequate "Quantity AND Detail" may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC's HUD-approved FY 2015 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2015 CoC Program Competition NOFA.

Grant term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

7I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2015 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2015 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "7H. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "7H. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "7H. Sources of Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.
