Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/ - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.

- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.

- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.

- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.

- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.

Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.

- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size

as approved in the final HUD-approved Grant Inventory Worksheet (GIW). - Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.

- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

2B. Recipient Performance

1. Has the recipient successfully submitted Yes the APR on time for the most recently expired grant term related to this renewal project request?

2. Does the recipient have any unresolved No HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?

3. Has the recipient maintained consistent No Quarterly Drawdowns for the most recent grant term related to this renewal project request?

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

The initial claim for the FY2015 grant NY0904L2T041502 was not made until July 21, 2017 - 7 months into the grant operating period. This was primarily because of slow subcontracting between DCMH and the subrecipient. Now that the subcontract is in place, we expect to maintain at least quarterly drawdowns going forward for the rest of the grant.

4. Have any Funds been recaptured by HUD Yes for the most recently expired grant term related to this renewal project request?

Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

The FY2014 grant DCMH Leasing Project NY0904L2T041401 had a remaining balance of \$26,220.02. This was due to a variety of factors: \$18,196.17 was unspent in the Leasing line despite the fact that the project was at 100% capacity throughout the operating period because the base rents of 5 out of 7 units in which participants have chosen to live are below the HUD funding per unit; \$1,461.47 was left in Supportive Services because the subrecipient did not claim all funds allocated for Transportation; \$4,423 was left in Operating because the subrecipient did not claim funds allocated for Furniture; \$2,139.38 was also left in Admin.

DCMH has worked with the subrecipient so that they will make more efficient use of grant funds in the future.

1. Provide a description that addresses the entire scope of the proposed project.

DCMH Leasing project provides 7 housing units to homeless individuals diagnosed with and affected by chronic substance abuse with, in many cases, co-occuring severe mental illness. Individuals served by the project may be experiencing other disabling health conditions or developmental disabilities. The Guidance Center of Westchester, Inc (TGCW) is the sub-recipient operating the project on behalf of the Westchester County Department of Community Mental Health (DCMH). TGCW has extensive experience delivering quality housing, mental health, substance abuse and vocational services to people with mental health and substance abuse issues.

We will use a Housing First approach to offer eligible participants immediate access to permanent supportive housing.

Supportive services are delivered by TGCW's other programs as well as in partnership with Westchester County DCMH, and numerous other mental health, substance abuse, health, vocational, advocacy and school- and community-based programs throughout the county. These combined services facilitate success in each individual's recovery process.

Projected outcomes for this project are: (1) at least 86% of residents will have remained in permanent housing as of the end of the operating year or will have exited to permanent housing (subsidized or unsubsidized) during the operating year, and (2) at least 71% of residents age 18 and older will have maintained or increased their total income (from all sources) as of the end of the operating year or at program exit.

The project consists of studio and 1BR units. The project serves to secure and maintain permanent housing in apartment locations of the residents' choosing throughout Westchester County.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

(1) experiencing chronic homelessness as defined in 24 CFR 578.3;

(2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;

(3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;

(4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;

(5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or

(6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families and elects to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

1. Indicate whether the project is "100% DedicatedPLUS Dedicated", "DedicatedPLUS", or "N/A", according to the information provided above.

However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
