

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** No

**Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.**

NY1124L2T041701: First-time renewal and grant term has not yet expired. APR will be submitted within 90 days after the expiration of the initial grant term in 2018 (exact date is not yet determined because the operating period is not yet set in LOCCS).

NY0953L2T041704: FY2015 APR was submitted on time.

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** No

**Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.**

Claims were not entered in LOCCS every three months due to internal delays caused by vouchers submitted to MHACY by the subrecipient that were late or with errors which took time to correct to ensure that the claims entered into LOCCS were completely accurate.

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

The initial FY2016 grant for Housing Independence Through Employment NY1124L2T041600 has not yet expired.

The FY2015 grant for Rapid Road to Housing NY0953L2T041502 had a remaining balance of \$155,226.49.

This was primarily because of unspent funding in the Rental Assistance line, because too few new clients were enrolled by the subrecipient to spend down the HUD award. MHACY investigation led to the firing and replacement of

responsible subrecipient staff.

The project is now operating above target capacity; 17 new households have been permanently housed since the start of the current FY2016 grant.

## Renewal Grant Consolidation Screen

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

**1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** Yes  
 If "No" click on "Next" or "Save & Next" below to move to the next screen.

**2. Is this an individual project application or a fully consolidated project application?** Fully Consolidated

**Renewal Grant Consolidation Table**

Project Identification Number PIN	Total Requested Amount	Surviving PIN or Terminating PIN	Operating Start Date	Expiration Date

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

Rapid Road To Housing (RRTH) provides Rapid Rehousing in scattered-site housing throughout Westchester County. We help clients achieve self-sufficiency with higher income, better budget management, and increased utilization of community resources.

Households are moved directly from homelessness into apartments that are retained after exit. At least quarterly, staff re-assess participant income, re-evaluate the client’s program eligibility, & the amount of assistance needed.

We have 2 full-time Housing Specialists assigned to the program. They help participants identify appropriate housing units by networking with landlords. The Housing Specialists also provide monthly case management, help clients learn realistic household budgeting, and understand their rights and responsibilities as tenants.

Housing Specialists help each participant develop a Self- Sufficiency Plan (SSP) that includes specific, incremental, and realistic goals relating to education, vocational needs, accessing services & entitlements, health, independent living skills, as well as children's educational and other service needs. Staff works with participants to develop realistic interim goals and action steps to reach longer-term goals. The Housing Specialists maintain frequent contact with each client to help swiftly identify and resolve any problems.

RRTH also has 2.5 grant-funded Employment Case Managers who provide intensive employment-focused services. The Employment Case Managers are responsible for coordinating each participant’s progress through individually tailored vocational training primarily funded through Westhab’s DSS employment contract. The employment services available through this DSS program include development of an Individual Employment Plan, STRIVE Attitudinal Training and Job Readiness Preparation, Community Work Experience Program, Job Placement, and Job Retention services. A full-time Job Developer specifically assigned to this project will help identify job opportunities matched to each RRTH participant’s employment needs and strengths.

Westhab will provide matching funds in the form of additional employment services for RRTH participants, including STRIVE work readiness trainers and 0.2 FTE of Westhab’s Director of Employment Services, to ensure that RRTH participants are fully served by Westhab’s DSS-funded, NYS- funded, and privately-funded employment services. Westhab’s other match will be 1.5 FTE Housing Retention Workers funded through DSS.

Westhab’s successful strategy for maximizing the effectiveness and cost-efficiency of its Rapid Rehousing resources is to offer shallow rent subsidies, expected to average \$500 per month per participant. This enables Westhab to help more people and also makes it more feasible that participants will be able to manage without the ongoing CoC subsidy after 24 months or less in Rapid

Rehousing.

Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

Addendum

WESTHAB INC

As per Income tax Regulations 1.509(a)-6, if an organization is described in section 509(a)(1), and also in another paragraph of section 509 it will be treated as a 509(a)(1) organization.

Although you were treated as an organization described in section 509(a)(2) during your advance ruling period, you now qualify under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code and therefore, you have reclassified accordingly.
