

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2015 Continuum of Care (CoC) Program Competition. For more information see FY 2015 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2015 CoC Program NOFA and the FY 2015 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2014 Project Application will be imported into the FY 2015 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2014 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2015 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. APR Submission

Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. HUD Monitoring Findings

Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? Yes

Date HUD or OIG issued the oldest unresolved finding(s) 10/24/2011

Explain why the finding(s) remains unresolved

HUD on-site monitoring review: 05/26/2011
HUD findings letter: 10/24/2011
MHACY response to the HUD letter: 01/05/2012

A HUD letter dated 07/30/2012 closed two findings, but left three findings open. MHACY responded to this second HUD letter on 02/22/2013, but no final determination has been received from HUD.

3. Quarterly Drawdowns

Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? No

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.

MHACY has endeavored to maintain consistent Quarterly Drawdowns during the FY2014 grant period.

The main factor which has caused delays in submitting claims to HUD is that the Subrecipient has submitted vouchers to MHACY for review on an inconsistent basis, or with errors with required correction before submission to HUD.

MHACY is working with the subrecipient to improve vouchering timeliness and accuracy.

4. Recaptured Funds

Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes

Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

The provider agency for Medical And Substance Abuse Outreach NY0484L2T041205 abruptly quit the project. MHACY was eventually able to locate a replacement provider after modifying the project with HUD's cooperation. However, the project did not serve clients for the first 10 months of the FY2012 operating period, resulting in an ending balance of \$66,335.

The Guidance Center of Westchester has acted as subrecipient provider agency for this project since 08/01/2014. Based on the Guidance Center's expenditure rate since taking over the project we expect to utilize all HUD funds in the FY2013 renewal grant.

Additional Resources can be found at the HUD Resource Exchange:

<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Provide a description that addresses the entire scope of the proposed project.

The Medical and Substance Abuse Outreach project provides outreach services to individuals with chronic Substance Abuse, and links them to substance abuse treatment, medical care, as well as the broadest possible array of recovery supports, community benefits, and mental health services. The Outreach Worker will conduct outreach activities as part of a comprehensive professional program designed to provide treatment and rehabilitation services for individuals with problems of substance use and co-occurring disorders; and liaison with other County, local and community agencies for referral purposes.

Outreach services are conducted all over Westchester County, but predominately in Mt. Vernon, Yonkers, and Peekskill where the majority of potential participants are located. Participants will be recruited at various community-based settings, including shelters and soup kitchens. We expect to serve approximately 50 clients annually; all clients served will be adults meeting the HUD homeless definition.

2. Does your project participate in a CoC Coordinated Entry Process? No

Please explain why your project does not participate in a CoC Coordinated Entry Process.

This project does not participate in a CoC Coordinated Entry Process because the Westchester County CoC is developing a fully operational Coordinated Entry Process. While HUD has not yet established definitive timelines for implementation, our Coordinated Entry Process is expected to be fully developed in the near term.

The Westchester County CoC Board appointed a steering committee to oversee the process of developing our Coordinated Entry Process in February 2015, and that body has met continuously since that time to plan implementation.

Our HMIS Lead has negotiated a \$93,000 contract with our HMIS software vendor to pay to customize and enhance the CoC's HMIS software to integrate coordinated entry. We expect that the programming and database migration will be completed by June 2016.

In addition, the Westchester CoC Board has elected to reallocate \$131,167 into a new Coordinated Entry CoC project in the FY2015 CoC competition in order to provide funding to operationalize the Coordinated Entry Process being implemented.

We are testing best practice implementation of our Coordinated Entry process using our new Turning Point Permanent Supportive Housing Bonus project.

If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select "Yes" or "No" from the dropdown menu.

- Use of a single application form for four or more mainstream programs? Select "Yes" or "No" from the dropdown menu.

- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select "Yes" or "No" from the dropdown menu.

- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select "Yes" or "No" from the dropdown menu. If "Yes" is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select "Yes" or "No" from the dropdown menu.

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen "5A. Project Participants – Households" has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. 5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the "Persons at imminent risk of losing their nighttime residence" field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2015 CoC Program NOFA.

If the field for "Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing" contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Enter the percentage of project participants that will be coming from each of the following locations.

	Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
	Persons fleeing domestic violence.
100%	Total of above percentages

2. If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless.

6A. Standard Performance Measures

Instructions:

SSO STREET OUTREACH PROJECTS ONLY

Persons placed into housing (ES, TH, SH, or PH) as a result of the street outreach program during the operating year: Count every participant who has moved into any shelter or housing situation after the initial street outreach intervention.

Among persons who entered with an unmet need associated with a condition listed below, indicate how many received the services for that condition by the time they exited. Consider all participants that your project might serve over the next 12 months. Fill out each row as each condition is applicable for the project's population. Leave fields blank in rows for conditions that are not applicable to the population being served

For each measure, enter a number in the blank cells according to the following instructions:

Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe that are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to be placed into housing, the target % should be "80%."

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Specify the universe and target for the housing measure.

Housing Measure	Target (#)	Universe (#)	Target % (calculated)
1a. Persons exiting to any destination that is not a place not meant for human habitation; jail, prison or juvenile detention facility; or other destination. Recipients should exclude from their calculation, including their universe, persons they are expecting with exits to hospital or other residential non-psychiatric medical facility, residential project or halfway house with no homeless criteria, and deceased.	10	20	50%

2a. Among persons who entered with an unmet need associated with a condition listed below, indicate how many received the services for that condition by the time they exited.

Measure	Target (#)	Universe (#)	Target (%) (calculated)
Physical Disability			
Developmental Disability			
Chronic Health			
HIV/AIDS			
Mental Health	5	10	50%
Substance Abuse	5	10	50%

6B. Additional Performance Measures

Instructions:

ALL PROJECTS EXCEPT HMIS; MANDATORY FOR SSO COORDINATED ENTRY

For each additional measure, fill in the blank cells according to the following instructions:

Performance Measure: Provide a name for the additional performance measure. This name will populate the list on the parent additional performance measures form.

Universe (#): Enter the total number of persons/units/items about whom/which the measure is expected to be reported. The Universe is the total pool of persons/units/items that could be affected.

Target (#): Enter the number of applicable persons/units/items from the universe who/that are expected to achieve the measure within the operating year. The Target is the total number of persons/units/items from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

Data Source: (e.g., data recorded in HMIS) and method of data collection (e.g., data collected by the intake worker at entry and case manager at exit) proposed to measure results: This is a required field. Use the text box provided to provide as much detail concerning the data systems and methods as possible.

Specific data elements and formula proposed for calculating results: This is a required field. Use the text field provided and be specific.

Rationale for why the proposed measure is an appropriate indicator of performance for this program: This is a required field. Use the text field provided to describe the appropriateness of the measure given the nature of the program.

Additional Resources can be found at the HUD Resource Exchange:

7A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2015 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
 - Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
 - Do you plan to use the 10% de minimis rate? Select "Yes" or "No" from the dropdown menu.
- Select a grant term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen "3A Project Detail." The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2015 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2015 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Do any of the properties in this project have an active restrictive covenant? No

2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? Yes

Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

a. Please complete the indirect cost rate schedule below:

Administering Department/Agency	Indirect Cost Rate	Direct Cost Base
Not applicable - we will use the 10% de minimis rate	10%	\$72,006

b. Has this rate been approved by your cognizant agency? No

c. Do you plan to use the 10% de minimis rate? Yes

7E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2015 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value "1 Year" and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Sources of Match/Leverage Detail

Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution

The values entered on each detailed Match/Leverage screen will populate the Screen "71. Summary Budget." The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange:
<https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>

1. Will this commitment be used towards Match or Leverage? Match

2. Type of Commitment: Cash

3. Type of Source: Private

4. Name the Source of the Commitment: The Guidance Center of Westchester Medicaid paid Substance Abuse Treatment services
(Be as specific as possible and include the office or grant program as applicable)

5. Date of Written Commitment: 10/05/2015

6. Value of Written Commitment: \$18,610

7I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2015 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2015 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "7H. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "7H. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "7H. Sources of Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 8A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F.
