

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Answer "No" if your organization is NOT engaged in lobbying.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** No

**Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.**

DCMH has been delayed in submitting claims to HUD because the FY2017 Grant Agreement was not signed by HUD until April 2018 for a grant period that began 03/01/2018. The executed Grant Agreement was returned to HUD by DCMH in May 2017, at which point Westchester County began the subcontracting process with the subrecipient. As soon as this process is complete, the subrecipient will be able to submit vouchers for review by DCMH. When those are approved, DCMH will drawdown claims in LOCCS.

We hope that the renewal grant agreement is executed before the start of the FY2018 grant period.

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

The FY2016 grant DCMH Vet Home 03 NY0888L2T041605 had a large remaining balance of \$22,031.86, including \$21,629.37 in Rental Assistance. The major reason for this unspent balance is grant savings due to client share of rent despite the fact that the project was at 100% capacity for the entire grant period.

## **Renewal Grant Consolidation Screen**

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** No  
**If “No” click on “Next” or “Save & Next” below to move to the next screen.**

This Rental Assistance project provides 6 housing units to homeless veterans diagnosed with and affected by severe mental illness. Individuals served by the project may be experiencing substance abuse issues as well as other disabling health conditions. Westhab, Inc. is the sub-recipient administering this project on behalf of The Westchester County Department of Community Mental Health (DCMH). Westhab has extensive experience providing housing and other services to persons with mental health and/or substance abuse issues, and has demonstrated a capacity to deliver quality care. The sub-recipient meets regularly with DCMH contract management staff/CoC members and VA staff to develop and monitor plans to effectively identify and address the needs and issues of the veterans served by this project, and to remain aligned with the overall goals of the CoC. DCMH, acting as grantee for this project, conducts annual monitoring visits to ensure adherence to HUD regulations in administering the project. Findings are reported back to the sponsor agency and follow-up is conducted as needed.

Supportive services are primarily delivered by the VA Hudson Valley Health Care system in partnership with the subrecipient agency and WC DCMH. Also numerous mental health, substance abuse, health, vocational, advocacy and school- and community-based programs throughout the county provide supportive services to facilitate success in each individual's recovery process. Projected outcomes for this project are: (1) at least 86% of residents will have remained in permanent housing as of the end of the operating year or will have exited to permanent housing (subsidized or unsubsidized) during the operating year, and (2) at least 71% of residents age 18 and older will have maintained or increased their total income (from all sources) as of the end of the operating year or at program exit.

The project consists of studio units. The project serves to secure and maintain permanent housing in apartment locations of the residents' choosing throughout Westchester County.

### 3C. Dedicated Plus

#### Dedicated and DedicatedPLUS

**A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.**

**A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

**1. Indicate whether the project is "100% DedicatedPLUS Dedicated", "DedicatedPLUS", or "N/A", according to the information provided above.**

Our Letter Dated:

Addendum Applies:  
Yes

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

BESTHAB INC

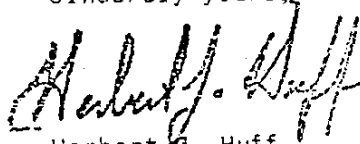

As per Income Tax Regulations 1.509(a)-6, if an organization is described in section 509(a)(1) and also in another paragraph of section 509 it will be treated as a 509(a)(1) organization.

Although you were treated as an organization described in section 509(a)(2) during your advance ruling period, you now qualify under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code and therefore, you have reclassified accordingly.
